Our Speaker Rodney Stillwell

Rodney has served as the Senior Chaplain with the Forsyth Jail and Prison Ministries since 1985. Over these years his greatest joy has been to see men and women leave incarceration to find their places in God's community. An avid potter, Rodney often uses pottery to reach those he ministers to. "Working with clay is a tangible reminder of God's shaping of you, the transformation from something worthless into a beautiful vessel."

Retreat Overview

Please join us for a weekend that will prove to a great mix of spiritual and social growth for each woman who attends. It is imperative that we work together to bring more meaning to our everyday busy lives as women, and that we focus on what God's plan looks like for us. Specifically, how can we become true Disciples of Christ? What exactly does discipleship look like? How do we step into that story and live the life of a disciple?

"To the Jews who had believed him, Jesus said, "If you hold to my teaching, you are really my disciples."

John 8:31
