Yes, every church has to have a charge conference! No getting out of it. This year, there are changes to the way in which charge conference forms are submitted. No more paper copies, preparing charge conference packets, etc. **WE WILL NOT ACCEPT PAPER COPIES. ALL forms/reports must be submitted online.**

To aid you in preparing your charge conference reports, Chris Hampton, Conference Director of Web and Database Administration, will be at our clergy meeting on September 3 to lead us through the steps of submitting charge conference forms online. There are some changes to the forms, as well as the addition of a new report.

ALL appointed clergy are encouraged to attend, as well as any other person who may be involved in preparing charge conference reports (secretaries/administrative assistants, financial personnel, trustee chairs, etc.). No registration is required. Come prepared to take lots of notes!

Charge conference reports will need to be submitted before the actual charge conference. Charge conferences will again be done in our missional networks. The 2019 charge conference schedule can be found on page 2.
